

MISSION STATEMENT

Manor High School commits to creating an educational atmosphere where students can excel in a safe, inclusive and engaging learning community. We strive to instill in our students lifelong learning and an appreciation for diversity by providing measurable, challenging, and equitable learning experiences. We endeavor to prepare all students for their future roles as citizens in local and global communities. We actively continue to incorporate the involvement of parents, guardians, and the community in support of our mission.

WE BELIEVE

- We believe student learning is the chief priority of the school.
- We believe that every child can learn.
- We believe that all students deserve to be offered a
